

Berlin Walk

(Duration: 2 hours – extension possible)

The Wall, Notorious Sights of the III Reich and Cold War

Start at Berlins famous Brandenburg Gate and see with your private guide the Reichstag (Parliament) with its famous new dome; you'll take a walk past the new Holocaust Memorial and visit the site of Hitler's bunker.

Listen as your guide explains what happened here at the end of the war, and why there is nothing left to see.

You'll then see how 21st-century Berlin is taking shape on Potsdamer Platz, and find out where the Nazi SS and Gestapo HQ stood.

You'll see the Berlin Wall and follow the "death strip" to Checkpoint Charlie.

While you walk, your guide will explain how the Wall was built, as well as the momentous events of its fall in 1989.

Depending on duration and place of departure, the route may vary. Please be aware that due to traffic conditions and streets closed due to reasons beyond our control, some places of interest may not be available. We will try to replace them with an alternative.

Naturally your tour can be adapted and extended to suit your personal interests.
